WE ARE WITH YOU EVERY STEP OF THE WAY

Research and development

Research engineers, medics & therapists at Wegamed gmbh develop innovative diagnosis and therapy devices to support the health of your patients and remain in close touch with the end-users of the devices to add new features.

Customer support, installation, and repair

Wegamed gmbh customer support is offered by the head office as well as an international network of medically qualified specialist advisers and trainers.

Maintenance

In order to avoid downtime in practices, we can offer you special maintenance agreements for all of your Wegamed devices for proactive and preventive maintenance.

Medical hotline

Our team of experts comprising medics and therapists is available for medical questions.

Wegamed Academy seminars

Access interesting, informative, and above all practical seminars that not only explain our products but also show you directly how our diagnosis and therapy devices promise success and can be used to benefit your patients. Our seminars have developed into a forum for an exciting exchange of experience where an international peer group participates regularly.
